

**55****CURRAWEE LB003****BORN: 13/07/2015 IDENT: LB003**

MT EUGENE MTE0.221

DULVERTON GLORY G131

**Sire: CURRAWEE JB059****Dam: DULVERTON ANNIE J095**

VALINOR BONSA1057

DULVERTON ANNIE G157

The JB59's are proving they 'adapt' at 'Kimberley'. Tight sheath, long bodied, ideal capacity, good replacement female breeder.

**56****CURRAWEE LB006****BORN: 17/07/2015 IDENT: LB006**

MT EUGENE MTE0.221

BOOROOMOOKA FRANKEL F510

**Sire: CURRAWEE JB059****Dam: DULVERTON KATH J016**

VALINOR BONSA1057

DULVERTON KATH X34

Suggest longevity a plus in this pedigree (Kath X34). Compact shape, great muscling with ideal cover and body capacity. Slick coated.

**57****CURRAWEE LB049****BORN: 16/08/2015 IDENT: LB049**

MT EUGENE MTE0.221

DULVERTON GRAPHIC G113

**Sire: CURRAWEE JB059****Dam: DULVERTON ANNIE J142**

VALINOR BONSA1057

DULVERTON ANNIE G148

Dam's sire a 458N structural soundness a strength of bottom side of pedigree. Ideal muscling, even fat cover, good body capacity moves really well.

**58****CURRAWEE LB059****BORN: 24/08/2015 IDENT: LB059**

MT EUGENE MTE0.221

DULVERTON DESIGNABUL D062

**Sire: CURRAWEE JB059****Dam: DULVERTON ANNIE J129**

VALINOR BONSA1057

DULVERTON ANNIE V126

Suggest longevity a strength of this pedigree Annie V126; Zeus Z51 sire of D62 worked until he was 14yo. Mid maternity pattern, thick deep bodied, well muscled.

**59****CURRAWEE LB063****BORN: 04/09/2015 IDENT: LB063**

MT EUGENE MTE0.221

DULVERTON GLORY G131

**Sire: COOTHARABA BONSA378****Dam: DULVERTON PENNY J100**

VALINOR BONSA1048

DULVERTON PENNY G048

One of the heavier muscled bulls in the draft. Combines muscling with even and adequate fat cover, long-bodied, ideal bone, tight sheath.

**60****CURRAWEE LB064****BORN: 9/09/2015****IDENT: LB064**

COOTHARABA BONSA378

DUNOON FEDERAL F423

**Sire: CURRAWEE JB076****Dam: DULVERTON DIANNA J315**

VALINOR BONSA1057

DULVERTON DIANNA F066

Comes from a very 'maternal' female line, suggest good replacement female breeder. Long bodied, good capacity, slick coat, moves really well thanks to preferred shoulder set.

**61****CURRAWEE LB091****BORN: 13/07/2015****IDENT: LB091**

MT EUGENE MTE920106

FIVE STAR VALOUR V2

**Sire: MT EUGENE MTE0.566****Dam: DULVERTON QUINTE Y164**

MT EUGENE MTE091054

DULVERTON QUINTE S044

Suggest longevity a plus - Y164. Ideal skin and hair, tremendous muscularity, maternally thick, great testicles, moves really well.

**62****CURRAWEE LB150****BORN: 24/07/2015****IDENT: LB150****WITHDRAWN****62a****CURRAWEE LB017****BORN: 26/07/2015****IDENT: LB017**

CURRAWEE FB170

VALINOR 1037

**Sire: CURRAWEE HB044****Dam: CURRAWEE JB163**

CURRAWEE FB103

DULVERTON ANNIE X129

A heifer's first calf, maternally strong pedigree, longevity a plus. Long bodied, slick coat, tight sheath, ideal muscle to bone ratio.

**63****CURRAWEE LB338****BORN: 26/08/2015****IDENT: LB338**

MT EUGENE MTEB566

DULVERTON CORKER C199

**Sire: CURRAWEE HB22****Dam: DULVERTON PERI H271**

CURRAWEE FB226

DULVERTON PERI X23

Suggest fertility a real positive - Corker days to calving speciality. Good body length and capacity, even fat cover, tight sheath, very good topline.

**64****CURRAWEE LB348****BORN: 28/08/2015 IDENT: LB348**

COOTHARABA BONSA378

TOEBBEN DESIGNER GENES USA119

**Sire: CURRAWEE DB105****Dam: DULVERTON WILCOOLA C184**

CURRAWEE XS06

DULVERTON WILCOOLA V067

Suggest longevity and maternal traits a strength. Long body, ideal shoulder set and neck extension combining to promote locomotion. Ideal flatter bone.

**65****CURRAWEE LB397****BORN: 04/09/2015 IDENT: LB397****WITHDRAWN****65a****CURRAWEE LB206****BORN: 04/08/2015 IDENT: LB206**

TOEBBEN DESIGNER GENES USA1119

**Sire: MT EUGENE MTE1.206****Dam: DULVERTON LISA C059**

MT EUGENE MTE01.133

DULVERTON LISA T27

Suggest longevity and maternal a plus on dams pedigree. Long deep bodied with plenty of capacity, structurally sound particularly good feet, slick coat and even cover.

**66****CURRAWEE LB423****BORN: 11/09/2015 IDENT: LB423**

COOTHARABA BONSA378

MT EUGENE MTE BONDS 7-238

**Sire: CURRAWEE DB105****Dam: CURRAWEE EB181**

CURRAWEE XS06

DULVERTON LISA B248

Suggest longevity a plus-paternal and maternal dams. Muscling a feature - 7-238. Soft fine textured hair with good skin and even cover, mid maturity.

**67****CURRAWEE LB463****BORN: 25/09/2015 IDENT: LB463**

COOTHARABA BONSA378

MT EUGENE MTE BONDS JEFF

**Sire: CURRAWEE DB105****Dam: CURRAWEE EB023**

CURRAWEE XS06

CURRAWEE TS03

Longevity a plus - both dams. Well muscled, mid maturity pattern, both sires noted fertility. Structurally sound, very good feet with soft fine textured hair.

**68****CURRAWEE LB343****BORN: 28/08/2015 IDENT: LB343**

MT EUGENE MTEB566

VALINOR BONNS 1037

**Sire: CURRAWEE HB22****Dam: CURRAWEE HB209**

CURRAWEE FB226

CURRAWEE ES010

Mid maturity pattern, powerful muscling - deep loin and carries muscle along top into chine. Tight sheath with good capacity, sound footed.

**69****CURRAWEE MB008****BORN: 14/07/2016 IDENT: MB008**

VALINOR MULTI SIRE

DULVERTON FEATURE F138

**Sire: VALINOR 1037****Dam: DULVERTON DIANNA H241**

VALINOR COW

DULVERTON DIANNA B074

Mid maturity pattern, good length and body capacity, well muscled, ideal testicles, soft fine textured hair, moves really well.

**70****CURRAWEE MB012****BORN: 21/07/2016 IDENT: MB012****WITHDRAWN****70a****CURRAWEE MB170****BORN: 06/08/2016 IDENT: MB170**

CURRAWEE BJ213

CURRAWEE JACK B199

**Sire: CURRAWEE JB047****Dam: CURRAWEE DB001**

CURRAWEE GB212

DULVERTON DIANNA B277

A medium framed thick bodied, wide chested, heavily muscled across loin and into the chine. Ideal testicles, plenty of do-ability. Has the Red Poll infusion will help drive fertility.

**71****CURRAWEE MB022****BORN: 26/07/2016 IDENT: MB022**

VALINOR MULTI SIRE

DULVERTON CORKER C199

**Sire: VALINOR 1037****Dam: DULVERTON ANZAC H239**

VALINOR COW

DULVERTON ANZAC B176

Fertility a positive - Corker days to calving specialist. Ideal testicles, great temperament, mid maturity pattern his length is a feature. Fine textured hair.

**72****CURRAWEE MB025****BORN: 27/07/2016 IDENT: MB025**

VALINOR MULTI SIRE

BALD BLAIR FELIX F39

**Sire: VALINOR 1037****Dam: DULVERTON MANDY H095**

VALINOR COW

DULVERTON MANDY F119

Strong maternal pedigree - A Mandy. Moderate frame, deep bodied, well muscled through the loin into the chine, easy doing, on good feet and legs.

**73****CURRAWEE MB038****BORN: 11/08/2016 IDENT: MB038**

VALINOR MULTI SIRE

BALD BLAIR FELIX F39

**Sire: VALINOR 1037****Dam: DULVERTON DIANNA H263**

VALINOR COW

DULVERTON DIANNA F168

The Dianna family noted for promoting longevity. Early maturing, plenty of body capacity, soft easy doing type, even fat cover, well muscled.

**74****CURRAWEE MB040****BORN: 13/08/2016 IDENT: MB040**

VALINOR MULTI SIRE

BALD BLAIR FELIX F39

**Sire: VALINOR 1037****Dam: DULVERTON MITTAGONG H150**

VALINOR COW

DULVERTON MITTAGONG F026

Earlier maturity pattern, deep bodied easy doing, great testicles, very even fat distribution. Ideal bone to muscle ratio.

**75****CURRAWEE MB044****BORN: 23/08/2016 IDENT: MB044**

VALINOR MULTI SIRE

DULVERTON UPTAKE U091

**Sire: VALINOR 1037****Dam: DULVERTON PIXIE B311**

VALINOR COW

DULVERTON PIXIE X070

Longevity a plus, U091 worked till he was 14 yrs progeny proven in Northern programmes. Long bodied, ideal shoulder set and neck extension. Suggest female replacement breeder, moves well.

**76****CURRAWEE MB057****BORN: 19/07/2016 IDENT: MB057**

MT EUGENE MULTI SIRE

DULVERTON BLASTER B111

**Sire: MT EUGENE 9.553****Dam: DULVERTON EVILENT E054**

MT EUGENE MTE06.0238

DULVERTON EVILENT B032

Moderate frame, mid maturity pattern, good body capacity, very easy doing type. Soft fine textured hair, tight sheath, ideal bone to muscle ratio.

**77****CURRAWEE MB061****BORN: 20/07/2016 IDENT: MB061**

MT EUGENE MULTI SIRE
